### What will students do and learn?

- In a group setting, brainstorm ideas to work well in a team environment
- Using scenarios, learn how to resolve conflicts when a situation appears unfair to some members
- Identify alternate ways of communicating for accessibility needs by exploring the alphabet in braille and sign language
- Match mentors to different films in a group activity
- Play a trivia game to learn the origin of different customs

“

Learning different perspectives and the variety of people in the workplace was a great experience.
